Welcome to HS Knit House

HS Knit House is a 100% export-oriented knit garments manufacturer and sourcing company based in Narayanganj, Bangladesh. Established in 2024, we began commercial manufacturing and exporting in 2025. We are committed to delivering high-quality knitwear products with competitive pricing, on-time delivery, and excellent customer service.
We are proud to be a member of the Narayanganj Chamber of Commerce & Industry (NCCI). With over 20 years of experience in the textile and apparel industry, our management team understands the needs of international buyers and is dedicated to building long-term business relationships.

Research & Development (R&D)

Our Research & Development team continuously works on new fabrics, washes, finishes, and innovative designs to meet changing fashion trends. We collaborate closely with reliable fabric mills and accessories suppliers to develop products that meet our customers' expectations.

Product Development & Sampling

We provide professional product development services based on customers' original samples, sketches, specifications, or technical packs. Counter samples are prepared quickly to ensure that every product meets the buyer's requirements before bulk production.

Quality Assurance

Quality is our highest priority. Our experienced Quality Control (QC) team monitors every stage of production—from raw material inspection to final packing—to ensure that every shipment meets international quality standards. We follow strict quality management procedures to achieve customer satisfaction.

Commitment

At HS Knit House, we believe that trust, quality, and reliability are the foundation of long-term business relationships. We are committed to providing consistent product quality, transparent communication, competitive prices, and on-time delivery for every order.

Packing & Shipment

We offer customized packing solutions according to buyers' requirements, including individual poly bags, printed inner labels, woven labels, hang tags, barcode stickers, carton marking, and bulk packing. Every shipment is carefully packed to ensure safe transportation and customer satisfaction.
